

**HARMONY**  
Science Academy  
Lubbock

Harmony Science Academy - Lubbock is a Pre-K - 8th public charter school providing a high-quality curriculum that places a heavy emphasis on Science, Technology, Engineering, and Math (STEM). Our engaging, hands-on, project based approach to education allows students to design, build, and experiment on projects that provide real-world solutions to prepare students for college success.

# Now Enrolling PreK-8 for 2020-2021

## MIDDLE SCHOOL TO MEDICAL SCHOOL

The Middle School to Medical School program in partnership with the Texas Tech University Health Science Center School of Medicine offers mentoring opportunities to HSA-Lubbock middle school students interested in pursuing a degree in the medical field.

## INTRODUCTION TO AGRICULTURE

What started out as a single growing bed in 2016 has turned into a full garden and aquaponic greenhouse. Our students have been introduced to growing organic foods, harvesting vegetables, conservation, gardening, recognition of plants, and a form of agriculture that combines raising fish in tanks with soilless plant culture.

## STEM FOR ALL

Our state of the art maker space provides students the opportunity to learn about 3-D printing, laser cutting, coding, robotics, and much more.

Harmony districts earned 5 A ratings and 2 B ratings from the TEA based on STAAR test results

Harmony schools are ranked among the top high school in the Washington Post, Newsweek, and U.S. News & World Report

The Texas Education Agency awarded all Harmony schools a Superior Financial Rating

Harmony is the first Charter School in Texas to be rated highly ("AAA") by both Moody's and S&P with participation in the Texas Permanent School Fund Bond Guarantee Program

All 23 Harmony high school campuses were named in U.S. News & World Report's Best High Schools Rankings
